What's an AMP?

Greetings!

What an amazing camp season it has been!! We are amazed and thankful for all that God has done. He is connecting us to new people every single day. The calendar was 6 days away from being completely full. Camp Rain is quickly becoming a desired summer destination by many churches and organizations.

Teen week kicked off the summer with an amazing week. Our theme this year was "Level Up". Once again, Pastor Nathan and Holly Cunningham were the camp Pastors for the week. They both brought wonderful messages from God. It's totally amazing to see how the teens responded in the alter calls. They are hungry for God. They are wanting to see something real! They had real life changing encounters with God.

Kid's week was also amazing. I really love this week each year. The little ones are such fun. They are also very honest. Not all, but so many of them deal with so much in their lives from, parents being gone and some of them simply having nothing! It's really amazing to me to see how many grandparents are raising their grandchildren. I believe that the challenges the kids face in today's world is because of the breakdown in families. Our prayer is that they take JESUS back home and share with their family.

It's an honor to be able to point these kids to Jesus. He is exactly what they need. Our job is to sow seeds in each life that comes through the gate. We believe that when the time is right that seed will sprout and grow into a tall mighty harvest. *-Pastor Kelly*

What's happening Fresh at CR?

We are happy about adding a new lake onto the property. The vision for a new lake was posted on social media and within 8 hours, it was paid for in full. We are still working to make it just right. This alone, will add fishing, canoes and kayaks. We can't wait to see it completed. Thank you to all who donated to get this project complete.

Here's the much awaited KITCHEN. It seems as if we have waited forever. We are super happy to begin on this project. As we stated in the last newsletter, the septic system is in and all the kitchen equipment is on site. We can't wait to put it all together. We have an intense focus on the kitchen to be ready for summer 2022. This is the largest project so far and has had many challenges with soaring lumber prices. However when it's God's deal, it God's bill. He has provided everything we need at the perfect time. It's so beautiful to see Him work in so many different ways **ALL AT THE SAME TIME!**

Summer Interns

We are so thankful for our summer interns. As you can imagine, there's so much that needs to be done every single day. These guys and gals really help when it comes to the "work of the ministry", from picking up thousands of fallen sticks to helping with the horses to praying with people in the altar, these guys are amazing.

If you would like to become an intern for this upcoming summer, call or text Pastor Kelly at 931-308-0998 for an application.

"Being an intern at Camp Rain was a life-changing experience. I not only had the opportunity to minister to kids and adults, but also the chance to grow in my relationship with God and in my practical skill set. I got to mature more as a person and as a leader. The work could be challenging at times, but it was always fun. From feeding the animals to running Activities Ally, excitement abounded! I developed awesome friendships with the other interns, volunteers, and campers, relationships that I hope will last our lifetimes! Most importantly, I got to see how much goes into running a camp ministry, and how challenging but rewarding ministering to different groups can be. It was an eye-opening experience, but one that I will never forget. I am so thankful to God that I got to have this opportunity! *-Mason*

Events at Camp Rain this year!

4th Annual Dixie Sims Memorial Bluegrass & Gospel Singing

The 4th annual Dixie Sims Memorial Bluegrass and Gospel Singing was a tremendous time at Camp Rain. It was an overall great night honoring Ms. Dixie and the Sims family for their unwavering support of Camp RAIN. We had several groups including the Agee Family, The Boyett Sisters as well as the Sims family.

Harvest Fun Fest

We are so excited for the way our Harvest Fun Fest turned out. The event is normally held at the Rain Teen Center on Halloween night, however this year we decided to move it to Camp Rain. It had rained most of the day so we weren't sure how the turnout would be...

We had 345 people come through. That is a SUCCESS!!!!

Prayer is such an important part of camp. We wanna teach the teens and children that they have a direct line to heaven through prayer. Prayer is a simple conversation between us and our Heavenly Father.

In Psalms 46, the Bible says that God will be our ever present help in time of need. Even when camp is over and done, we want them to know that they can call on the Lord and he will answer!
